It may be limited to a prescribed number of runners (J4 refers), in which case these shall be decided by a draw conducted in accordance with Regulation J7i and J7j so that preference is given to previous performance

J3d (2) **All Aged** - A Stake which is open to all dogs of a specified breed or breeds without restriction as to their age, but which may be restricted by any other conditions which may be determined by the society subject to the approval of the General Committee of the Kennel Club

J3d (3) **Novice** - A stake which is confined to dogs which have not gained a place which would qualify them for first preference in the draw for Open stakes

### READ THE RULES AND CONDITIONS OF ENTRY CAREFULLY

1. Dogs entered at Kennel Club Licensed Field Trials must be registered at the Kennel Club in accordance with Kennel Club Regulations for Classification and Registration B
2. The Society reserves the right to refuse any entry, except that this shall not apply in terms of preference in the draw. The Kennel Club must be notified in writing of all such refusals with the Society's reason
3. Substitution will be allowed provided the substitute is eligible and is included on the entry form prior to the draw
4. All dogs resident outside the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor
5. If entries or nominations exceed the number of permitted runners, the right to compete in a Trial shall be decided by ballot
6. Should circumstances so dictate the society, in consultation with the judges, may alter arrangements as necessary. Such changes and the circumstances surrounding them must be reported to the Kennel Club at the earliest opportunity
7. No modification will be made to the schedules except by permission of the Kennel Club, followed by advertisement in appropriate journals, if time permits, before the closing date of entries
8. Judges at a trial are prohibited from entering a dog which is recorded in their ownership or part ownership
9. Videography and photography will only be permitted with the express permission of the Chief Steward and the host
10. Entry forms which are illegible will not be accepted and a separate entry form is required for each dog in each stake entered
11. The draw will take place by FTMS as soon as possible after the closing date of entries and will be organised by the appropriate Field Trial Secretary. All details and directions to the meet will be sent with notification of the draw
12. To qualify for preference in the draw the owner(s) must be fully paid up members. In the event of the society running more than one stake for any one sub-group, an owner offered a run in the first stake will have second preference in the draw for any subsequent similar stake in the same sub-group
13. A handler may only handle one dog per owner unless all reserves have been taken up, however no handler may handle more than two dogs. Only the handler whose name appears on the official entry form may handle the dog on the day
14. Anyone unable to compete, even if on the reserve list, should notify the appropriate Field Trial Secretary immediately
15. The society considers that, by accepting a run, owners declare that they have not committed the entered dog to any other stakes on the same dates
16. All persons attending a field trial are under the jurisdiction of the judges and the officers of the society and must conduct themselves accordingly and be appropriately dressed for the day
17. The Society accepts no responsibility for injury, loss or damage to persons or property however occasioned
